

# Editing Your Account

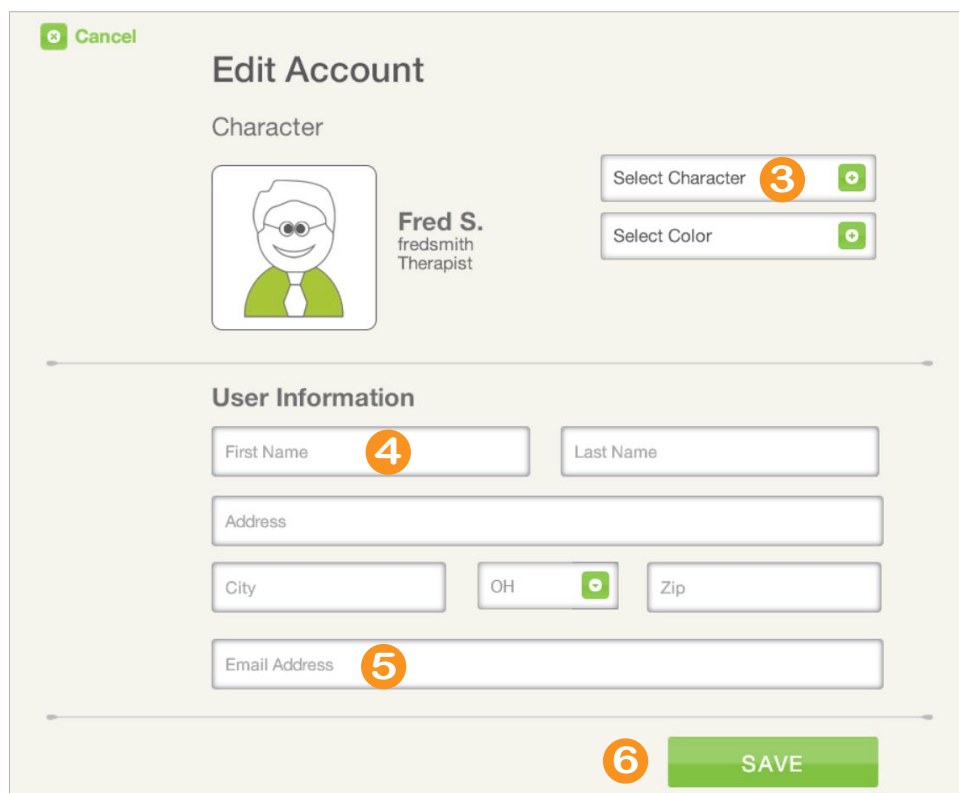

If you need to change your information or your avatar, you can edit your account information at any time.

- 1 Select Settings or the  icon if you are using a tablet.
- 2 A menu will pop up. Select Edit Account.

Above: You can edit your account from your home page.

- From here, you can edit your avatar **3**, your information **4**, and your email address **5**.
- 6 Select Save when you're done.

Above: The Edit Account screen.
